Appl. No. 92/01881

NOV 02 2000

Remarks

Claims 1-90 are pending in the application and were subject to a Restriction Requirement in Paper No. 11. In their response to the Restriction Requirement, filed concurrently with this paper, Applicants elected, with traverse, Group X (claims 79-81). The subject matter of New Claims 91-126 corresponds to that of the elected group.

Claims 91-126 have been added. Support for the new claims can be found, for example, in the originally filed claims and at pages 9-10, 12-13, 44-49, and elsewhere. No new matter enters by this amendment.

In the event that the Examiner has any questions, we respectfully request that the Examiner contact Andrew S. Brenc at (202) 383-7217.

Respectfully submitted,
